**Appeal to help the victims of Cyclone IDAI in Malawi.**

*"The Jesuits in Africa and Madagascar join the rest of Africa and the world in mourning the loss, interruption and destruction of lives and livelihoods caused by Cyclone IDAI. The scale of devastation it caused is enormous. The Cyclone has affected about 1, 7 million people in the three countries, who stand in need of humanitarian aid. "(The president of the Jesuit Conference of Africa & Madagascar)*

According to the relief and development arm of the Catholic Church in Malawi, CADECOM

*"There is need for urgent humanitarian aid as the affected households are in dire need of life saving interventions such as food, shelter, water and sanitation. Many are being accommodated in evacuation camps. A total of 187 camps have been established so far and these people are relying on well-wishers to fend for their needs. With congestion in the camps, chances of occurrence of water borne diseases are high, hence need for water and sanitation interventions. "The Church has since opened up schools and churches which are now used as temporary shelters.*

**We appeal to all our collaborators and well-wishers to join us to help those in need in Malawi in whatever means possible, as individuals, communities and organizations.**
